Chairwoman

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
House of Representatives
Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Ride Gwinnett Local Fixed Route 60. The entity to receive funding for this project is the Gwinnett County Board of Commissioners, located at 75 Langley Drive Lawrenceville, GA 30046. The funding would be used to fully implement a new, all-electric, local fixed route that will provide connection between two major cities, two institutions of higher learning, and two major healthcare centers. The project is an appropriate use of taxpayer funds because creating a system that connects major destinations that are experiencing rapid growth in residential units and commercial development, local transit expansion will also increase access to higher education institutions in the County (Georgia Gwinnett College and nearby Gwinnett Technical College), Local Bus 60 will help support access to education and higher paying jobs, thereby supporting Georgia's economy. The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Lucy McBath
Member of Congress
